

Rose Sale 2021 Instructions for Ordering and Terms

Welcome to our 2022 Spring Rose Sale!

Thank you for supporting this non-profit plant preservation effort as we strive to assure the survival of a great collection of historic roses. We know you will recognize the rarity of what we offer this year, including many very old varieties that have not previously been available to purchase in North America. We urge you to give a home to some of these beauties and to become a curator of old roses.
