

## Welcome to our 2023 Spring Rose Sale!

Thank you for supporting this non-profit plant preservation effort as we strive to assure the survival of a great collection of historic roses. We know you will recognize the rarity of what we offer this year, including many very old varieties that have not previously been available to purchase in North America. We urge you to give a home to some of these beauties and to become a curator of old roses.

### TERMS OF OUR SALE

Guardians of the Rose may begin sending orders at 10 am on Saturday, April 29th.

All others may begin to place orders on Sunday, April 30th at 10 am. You may sign up to be a Guardian up through November 18th and qualify for early ordering!

- Submit orders by email to: *info@thefriendsofvintageroses.org*
- Your order should contain the following:
  1. Your name and preferred email address.
  2. Names of requested roses in LIST form, not in sentence form.
  3. A LIST of alternative selections to substitute. (optional)
- *Once you have received an itemized invoice* of your order from Gregg, you may pay either by check to The Friends of Vintage Roses and sent to our Sebastopol address below, or on our Rose Sales page online, by clicking on the top most payment button. (Read the simple instructions on that page before clicking the Paypal "Buy" button.) Your invoice email will provide instructions.

PLEASE note, we are sending an acknowledgement of the receipt of your order in person by email as soon as possible after it comes to us. This acknowledgement is not an invoice with the cost to pay on your order. We ask you kindly NOT to make payments until your final INVOICE is received. This avoids refunds through Paypal, and their charges for processing refunds. All orders will be processed in the order we receive them.

- Pickup of Plants in Sebastopol will take place on May 13th, from 10 am to Noon, and on May 14th from 10 am until Noon.
